The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court of Adams County, Colorado on December 1, 2009, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes).

The District was established to provide financing for the operations and maintenance and design, acquisition, installation, construction and completion of public improvements and services, including water, sanitation, street, safety protection, park and recreation, transportation, fire protection, security, television relay and translation, and mosquito control.

The District is not authorized to plan for, design, acquire, construct, install, relocate, redevelop, finance, operate or maintain fire protection facilities or services, unless such facilities and services are provided pursuant to an intergovernmental agreement with the City of Thornton. The District is not authorized to plan for, design acquire, construct, install, relocate, redevelop, finance, operate or maintain television relay and translation facilities and services, other than for the installation of conduit as part of a street construction project, unless such facilities and services are provided pursuant to an intergovernmental agreement with the City of Thornton.

On November 3, 2009, the District's voters authorized total indebtedness of \$130,000,000 for each of the above listed facilities, \$20,000,000 for both intergovernmental and private agreements and \$20,000,000 for refunding of debt. Pursuant to the Service plan, the total Debt that the District shall be permitted to issue shall not exceed \$20,000,000. Additionally, the maximum debt mill levy is 50.000 mills, which shall not be imposed for longer than 40 years from the first year the debt service mill levy is imposed unless a refunding of the Debt has been voted upon. The election also approved an annual increase in property taxes of \$5,000,000 without limitation of rate, to pay the District's operation and maintenance costs.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105.

#### Revenues

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxies levied is displayed on page 3 at the adopted mill levy of 60.000 mills, of which 10.000 mills are for operations and 50.000 mills are for debt service.

#### CUNDALL FARMS METROPOLITAN DISTRICT 2017 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

#### **Revenues** - (continued)

#### **Specific Ownership**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 8.0% of the property taxes collected.

#### **Developer Advance**

The District is in the development stage. As such, the operating and administrative expenditures will be partially funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer.

#### **Operations Fee**

The District collects a fee of \$47.00 per month from homeowners and \$500 from each new homeowner at closing. The fees are used to cover the landscaping and maintenance costs of the District.

#### **Expenditures**

#### **Administrative Expenditures**

Administration expenses include the services necessary to maintain the District's administrative viability such as legal, accounting, insurance, dues and membership, other administrative expenses.

#### **Maintenance Expenditures**

The Bonds bear interest at a rate of 6.875% per annum, with interest payable on June 1 and December 1, and principal payable on December 1. The Bonds are subject to redemption prior to maturity, at the option of the District, as a whole or in integral multiples of \$1,000, in any order of maturity and in whole or partial maturities, on December 1, 2019, and on any date thereafter, upon payment of par and accrued interest, without redemption premium. The Bonds are also subject to mandatory sinking fund redemption, in part, by lot, on December 1, 2020, and each December 1 thereafter.

#### CUNDALL FARMS METROPOLITAN DISTRICT 2017 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

#### **Debt and Leases - (continued)**

The Bonds are secured by and payable from the Pledged Revenue consisting of monies derived by the District from the following sources, net of any collection costs: 1) the Required Mill Levy, 2) the portion of the Specific Ownership Tax which is collected as a result of the imposition of the Required Mill Levy, and 3) any other legally available monies which the District determines to be treated as Pledged Revenue. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal, premium if any, and interest on the Bonds as the same become due/payable. The District must levy 50.000 mills so long as the amount on deposit in the Surplus Fund is less than the Required Surplus Fund amount of \$683,500. The District currently has less than the Required Surplus Fund amount as of December 31, 2016, and, accordingly, the District has levied 50.000 mills for collection year 2017.

On June 23, 2016, the District issued Subordinate Bonds in the amount of \$1,575,000. The proceeds from the sale of the Bonds will be used for the purposes of reimbursing the construction costs of public infrastructure inprovements benefitting the District and paying costs of issuance of the Subordinate Bonds. Interest on the Subordinate Bonds is at a rate of 7.75% per annum and is payable annually on December 15, beginning on December 15, 2016. The Subordinate Bonds are subject to optional redemption prior to maturity as described in the Subordinate Indenture.

The Subordinate Bonds are secured by and payable solely from Pledged Revenue defined in the Subordinate Indenture as the moneys derived by the District, net of any costs of collection, from: (i) property taxes derived from the Required Subordinate Mill Levy; (ii) the portion of the Specific Ownership Tax which is collected as a result of the imposition of the Required Subordinate Mill Levy; and (iii) revenue, if any, available for the Subordinate Bonds after all amounts required by the Senior Indenture are applied by the trustee for Senior Bonds. Pledged Revenue for the Subordinate Bonds is subordinate to the revenue pledged to the 2014 Senior Bonds. While the 2014 Senior Bonds are secured by a Senior Reserve Fund and a Senior Surplus Fund, there is no reserve fund or surplus fund which secures the Subordinate Bonds. The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal prior to the final maturity date. The Required Subordinate Mill Levy may not be imposed after 2054. In the event any amounts due and owing on the Subordinate Bonds remain outstanding on December 15, 2054, such amounts shall be extinguished and shall no longer be due and payable.

A debt service schedule for the 2014 Bonds is attached.

The District has no operating or capital leases.

#### Reserve Funds

#### **Debt Service Reserve**

The Debt Service Reserve Requirement on the 2014 Bond is \$651,000.

#### **Emergency Reserve**

The District has provided an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2017, as defined under the TABOR Amendment. Such Emergency Reserve is an integral part of Ending Fund Balance for the Government operations.

This information is an integral part of the budget.
